For the following services:

Service	Cost
Skyline Adult Care website design and development	\$350.00
<i>skylineadultcare.com</i> domain name purchase and configuration	\$250.00
Total Cost	\$600.00

Dear Adriana,

This website has been such a joy to work on. Thank you so much for the opportunity!

I have assumed the \$13.16 cost of purchasing the skylineadultcare.com domain name for one year. I set it up to auto-renew annually. Let me know if you want to pay in advance for up to the next eight years now (\$105.28), and we can work that out. Otherwise, I can bill you annually on August 26th, starting next year. Thank you for your patience with how complicated domain set up can be!

– Oliver
